JAWS Testing

Use page 2 to document any JAWS retests.

Slide Names

Slide names should be succinct, clear and descriptive with minimal punctuation.

List any recommended changes here.

APPROVED ◯ CHANGES REQUIRED ◯

Button Names

Button name should match function.

List any incorrectly name buttons here.

APPROVED ◯ CHANGES REQUIRED ◯

Text on Screen

JAWS should read the legal disclaimer, directions, knowledge check questions/answers, quiz questions/answers and feedback layers.

List any recommended changes here.

APPROVED ◯ CHANGES REQUIRED ◯

Keyboard Navigation

Navigate the course using only keyboard commands. Note any tricky areas.

List any recommended changes here.

APPROVED ◯ CHANGES REQUIRED ◯

Focus Order

The focus order determines the order in which JAWS will recognize elements, which typically would be expected to be *left to right, top to bottom.*

List any recommended changes here.

APPROVED ◯ CHANGES REQUIRED ◯

Resource Check

For any attached resources, use JAWS to confirm the document is accessible.

List any recommended changes here.

APPROVED ◯ CHANGES REQUIRED ◯

General JAWS comments –

Note any areas that were tricky, distracting, confusing or frustrating during your JAWS experience but not covered in the prior checks. You can also leave general comments here.

Overall JAWS testing:

Does the shark approve?
